

Provider Transformation Retreat

Tuesday April 17th

9:00am - 3:00pm

Sawmill Creek Resort

400 Sawmill Creek Drive

Huron/Sandusky, Ohio 44839

⇒ **Person Centered Thinking - More than an ISP.**

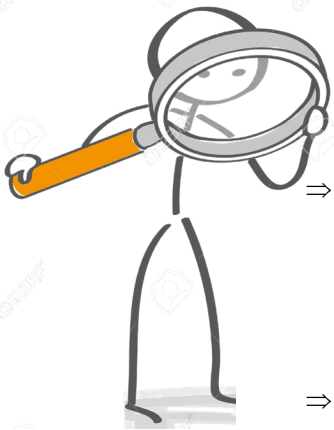

Barb Sapharas will talk about “life possibilities” and share her knowledge of Charting the Life Course - a framework that was developed to help individuals with disabilities reflect about what they need to know, identify how to find or develop supports and discover what it takes to live self-actuated lives.

⇒ **Provider Success - How others in Ohio are doing it.**

Ohio providers from Work Leads to Independence and Triangular Processing share their personal experience with provider transformation. They will share their stories and listen to yours.

⇒ **Mapping Your Success - Planning for the Future of Your Organization**

Employment and Community Life Engagement Project Manager Kelly Schuck from DODD will lead a session on seven priority areas that an organization should focus on to assess and plan for the future. The presentation will introduce a self-assessment tool that can be used by providers to develop capacity to support community integrated services for individuals with disabilities. Those in attendance will be guided through the self-assessment

Registration required. Registration not limited, training for providers and staff. Lunch provided with registration. **Deadline to register 04/09/2018.** Register online at <https://tinyurl.com/Provider2018>.
